<small>The 2-year extended warranty is subject to the same terms &amp; conditions listed on the warranty policy page (MW51) that is included with each unit. Please be aware that the extended warranty will not cover any part of unit that is not manufactured by Lincoln Electric® such as engines (gas or diesel), engine accessories, air compressors, etc. as listed on the policy page. Please allow 2 weeks for processing. You will receive an extended warranty certificate created specifically for your unit. Keep this certificate in a safe place because you will need to show it to the Lincoln® Authorized Service Facility in the event that the extended warranty is needed. If you do not receive your certificate within 30 days, please call (888) 955-3877 and ask to speak to a warranty representative in the Service Department.</small>
